Good morning again Ryan,

Following up our telephone conversation, we would like some more information on your survey services for both these islands, topography, existing constructions, landscape, etc.

We are currently in the process of preparing a proposal for these services for the owner, and understand you are familiar with this location.

Looking forward to your information, and please let me know if you have any questions for us.

Thank you,

**Paola Rengifo**  
Senior Design Associate
