I like the 500k, I just find it too good to be true for my first job. I am suspicious it is just bait and it would never happen. Do you think it can be real?
I don't know what to do. What do successful attractive women do to get out of these situations? I should just have him call you ;)

Can,t tell much, do not offer to introduce girls or girl. Did not like 500k comment ?, though you can mention that as it is a nationwide org, having women on the masthead is a big plus, masthead being a better place than mast er bedroom
