David,

I explained the situation to Higher Ground regarding your meeting with the bank and investors. As per the email below, they are very interested in moving forward but it is unlikely that they will have the letter by tomorrow morning. Not sure what to do here.

Hi Jordan,

Please tell him that we likely won't have letter by tomorrow, but that we do want to move ahead if he can give us more time.

Team,

I received numerous calls and texts from David Mitchell saying that he has a meeting with his investors and bank on Thursday morning November 30th and needs to know if we are moving forward with the deal by then. Told him we are pushing on our end and we understand the urgency. Please advise if you think we will have the letter tomorrow, don't think I can stall him anymore as he text and calls me twice a day looking for an update.

Thank you,

Jordan Gosin
