..i got back in new york a few days ago.. sorry it took me long time to get back but i had some things to do in romania..

.....
sarah want me to do her apt on 66th st.. so i went there today, i saw the apt and i will do some samples for her, but the apt is not ready for me yet..people are still working in there.. somebody told me it might take one or two weeks to be done.

do you want me to work on something else besides samples for sarah's apt in the mean time?

thank you,
