this house is running in the silliest of manners. no one told me francis was at the house,not until 5 minutes ago, [REDACTED] was making the coffee, [REDACTED] the egg and jojo went out to buy shitty greasy hambgurers. the ony thing on the counter was some revolting prisciitto bits in a plastic tub.. this has to stop. there could have been a meal prepared, steak, table set.. everone had many hours notice,, it is inconceivable that this continues to happen.
