Good Day Sir,

Hope your travels are going well.

I would like to request a sunday off in November either 4,11,18 or 25th which ever sunday would work best for your schedule. Me and my new fiance are trying to plan a small family engagement party to celebrate the good news. Any sunday in november would be great, if not perhaps we can work out one if the first sundays in december... 2nd or 9th. again whenever you know, and whenever its best for you.

Thank you and I look foward to cooking for you again soon, hopefully some stews and chocolate cream pie.

Francis
