Buck Steel recommend removal and replace as best course of action  
This could be added to David's ( Carpenter ) scope of work, he is very familiar with this type of work  
Sheridan and Buck could assist him

American Steel Shed  
Estimated cost for shed and doors \$33,911.00, this does not include shipping

How do you wish to proceed

Unfortunately it would require Buck Steel to do major design changes to match existing bolt pattern  
It is easier for us to cut and replace  
The existing pattern came from American Steel
