I've was scheduled to meet with Steve Pedro, from the New Mexico Environmental Department, concerning Zorro Ranch's RO Discharge Permit.

Unfortunately the Discharge Water Analysis did get back to me in time to met this weeks schedule.

This is meeting was in regard to the annual inspection of the evaporation pond and RO unit at the Ranch, which I'm the point of contact for.

Also for Steve Pedro to meet Steve who will be the new point of contact for the Permit, make sure Steve has a clear understanding of the permit conditions and reporting requirements

The next available time Steve Pedro is available to come to the Ranch is Tuesday 30th,

I would like to stay and return to LSJ Wednesday the 31st

Can I do so?
