Spoke to Jahm.. he greatly enjoyed it to..

and as usual I have to convince you of sense of some things..

Jeffrey.. I need to get my life together.. The current situation is more distracting to my work than having a solid foundation.. with a place to think, and write, with some support for people to work with me, and periodic events to bring people to recharge our batteries.. I need this more than anything I know. I have come to you in two emergencies, and I view this as one.. We may find another solution, but I don't see it. I need to talk to you about this to see if it can be made win-win instead of pure charity.. but I need to see if it is doable.

Thanks.

yes,, we had a good time, he shares my affection for you, and we both agreed that your idea to have a paid vacation in the middle of nowhere so you could be with your girl, made little sense.
