I just spoke to her I think there a miss communication here .I just told her that she said last times she was working ,then she went to Monaco .
She said yes I worked ,then I went to Monaco .you told her that Daniel said that she lied . In fact she worked then she fly to Monaco ,I didn't know that .that's what she said now.
Swedish girls are spacial , I know how to handle them ,if you need my advice tell me believe me I know how to talk to them .when I spoke to her she said she wanted to come ,then your assistant told her some thing else .let me handle the situation some times , that could be easier
I think she is very interesting person ,if you want me to talk to her , she really listens to me , I am clear don't forget I am Swede too after 30 years in Sweden I learned a lot .
What ever you need Jeffrey I ll be very happy to be there for you . God Bless you I really appreciate everything you did for me I ll be there for you any times you need me.
My warmest regards from Lausanne .
