please don't

let me try to get some more information

I told their HR lady that I hadn't withdrawn my application and that I still wanted it to be a confidential process and apologized for any confusion

I suspect that the foundation would rather seconde me (more control) and that it was the HR folks talking to each other. Either that or Jim Kim mentioned to someone that mentioned to Bill.

I want this process to be mine, lets see where it goes.

If I get stuck I will ask you but thank you for caring.

Not sure folks will be working for a few days anyway.

Sorry pumpkin to be so upset.
I do trust you and hope you aren't mad at me for accusing you. Please accept my apology.
