Subject: [REDACTED] Bedroom - Apt 3M

Date: Sat, 10 Nov 2012 21:09:54 +0000

Attachments: 3M_Bedroom.pdf; 3M_Bedroom_Extended_Wardrobe.pdf

The first pdf attached is the current bedroom in 3M

The second is what Penn suggested when we met for extending the wardrobe. It creates a little passage/corridor to enter the bedroom. It does make the wardrobe very large but I am not sure if there is an alternative with the location of the entry door to the bedroom.

Another option may be to purchase a free standing wardrobe for the bedroom.

I am waiting for the quote and time frame for work from Penn, reminding him a every day to send it to me ASAP
