Hi Philippe,

Please see attached for next round of edits.

A note to Kevin: please make sure that minisite sub headings are not repetitive-- that they make chronological sense.

Thank you,

Subject: RESENDING Minisite.JeffreyEpsteinInfo.com.2.11-1.REVISED.v2.doc to get approved: minor SEO infractions when accepting proposed edits

[REDACTED]

My editor asked that I resend this to you one last time for a quick approval. We had issues with some of your proposed edits because they affected the keyword saturation of the articles. It is possible to keyword stuff and be penalized for it so we need to be very careful about this issue.

Also, my editor had to remove the last sentence in your articles because the keyword was not mentioned in the last sentence.

Any tweaks the editor made were simply to make these articles perform optimally. Please review these very minor edits and let me know if you approve the document.

Please advise.

Respectfully,
