Jeffrey and Darren,

I spoke to Garret Burke the listing agent for the GIV, He informed me the offer should be made to address below, Aviation Enterprises, Inc.

When I first spoke to Garrett and told him I'd like to make an offer and needed correct name and address for seller, he told me he would have a company name next week, and I should wait till then, he wanted to firm up this deal with Pruitt's office. I was taken back by his response, and told him, "your going to refuse an offer at this time from a qualified buyer"! He called me back 5min later with the address below, after consulting with Pat Janas owner of Global Jet Sales.

He also indicated that Jack Pruitt will most likely take Englasias plane in trade so Englasias can purchase a GV or Global Express, (back to backing it)! and we'll be purchasing the GIV from Pruitt,, **I knew this was going to happen!**, I asked Garrett Burke, will Englasias's even see our offer?? he said yes, eventually.

Do you think its appropriate or do you know how to directly contact Englasias's office and indicate we want to make an offer? our offer must be presented to owner. Tommy Mortolla or somebody in the music industry that may know Enrique?

Even Gary Anzalone from the Toy Store informed me, if we where to make an offer, be sure to include Inglesias's on the offer, this way, the Broker must/should present the contract to the owner. I'm not sure how to proceed without out damaging the deal??

Sean Told me Jack Puritt is not a bad guy, and has a pretty good reputation in the industry, but he likes \$1M profit deals, I'm pretty sure Garret Burke, Pat Janas, and Jack Pruiitts office has told Inglesias his aircraft is not worth much money, so Jack could purchase for cheap and take in trade..

just to recap the people involved:

-Garret Burke and Pat Janas are Global Jet Sales, listing brokers.

-Pruitt and Assoc, is Jack Pruitt, who is partners with Global Jet Sales, and funds trade-ins for Garret and Pat Janas.

-Chip Pickett is Jack Pruiitts Pilot and close friend of Jack, I know Chip well, but don't trust him,.

Make offer to: Darren, if you have any questions, Garrett said to contact him directly,.
