Sleepy well and thank you again
(I've been in bed at 9pm the last two weeks and am loving it...

Ok! The best rate on a good airline seems to be the same Cathay Pacific flight on Dec 3-11th via Hong Kong which prices out at \$7,562.00

I would prefer to take this obviously... however have been thinking that it would be useful to have 2-3 k for incidentals etc.. whilst I'm there since I don't know how much, if anything will be covered and i I don't want to get too out of pocket, so if it's either or it might be smarter for me to chose the cheaper flight and have some petty cash. I'm comfortable either way.

I have all reservation numbers ready to go!
