Had good conversation with the university attorney about the request for accounts. Happily the attorney agreed the request was bullshit and that the reporter was trying to establish some inappropriate connection with you and both Amelia and her not only agreed there was none but in fact the next layer of detail they will provide the price is just a fraction of our overall budget etc. :).

Anyway heading back from Mexico now. Lovely time with Noam and Valeria. Had to help them with invoicing. They are like lost puppies. 😊
