you have done that before , only to break it again and again. get another job at night or on weekends. . like other people who break their word , agreements and commitments . and I told you repeatedly that this would be the result , but you didnt want to work hard , as it bring no joy. . the protestations of a spoiled child. and the the pubic screaming tantrums .

I have no idea. I still have a 1000 euro debt with someone that I don't know how to pay back. I cannot borrow money. I am keeping my word since I am working.

I'm not doing what I like neither following my passions because you told me I needed to find a paying job. Now I'm working doing things that I don't like most of the time because you told me I needed to work with no satisfaction and not even able to earn enough to pay myself a living. If you could help me I would still continue to work but at least I can have a descent life. You always told me you wanted me to be happy (maybe you didn't mean it)
