I'm working hard everyday, always in time and always nice and respectful with everyone at work. I notice that even with all the efforts that I am putting in it I'm not able to pay my rent and my life. I feel that even when I do well and make efforts, nothing really changes since I'm not able to make enough money out of my job. This makes me feel discouraged... I know you don't want to talk to me but I feel the need to let you know how I feel. Also this situation between us is actually making me very sad and it's hard for me not to think about it

I work hard everyday for my job but I'm not getting paid. Paris is much more expensive than Milan. If I buy a new phone I'm not able to pay my rent and live for another month.

Not sure what I'm supposed to do..

Thank you so much for your help. I really appreciate it. I am in a difficult situation because I need to pay the rent which is 1750 euros + the Iphone which is going to be around 800 euros + food, transports...

I don't know how I'm supposed to do.

This situation is quite embarrassing for me... I apologize

Ps: Thank you for putting me in touch with Valdson
