well. ,, I don't understand why gary did what he did , but we cannot get rid of philip michael. now. its crazy.. In the documents that you sent , gary told the irs that you took the jewelry and refused to hve it appraised. this is bad, it also says he hgot a loan form your mom for 250 k, three mo two months before she died, It looks to me as you are owed another mliion dollars. send gary a note that says " it appears that i am still owed over a million dollars. when can i expect it. ?
