Let me rephrase that, because it was not meant to offend you. I assumed you gave LV the discretion to do the test flight with either pilot. Because I had not heard from you and you made it clear you prefer not to have me fly, I didn't think you had anything to do with my being there. Now I know, so thank you.

Sorry, I just know that Larry always prefers to fly with me rather than Dave so when I do, I assume it's despite your opinion on the subject, not because of it. I didn't know you were even aware of it, since it was just a test flight. If you were, than THANK you!
