Jeffrey,

can we have wheels up 1:15pm? just ran the engine and works good. I'm working flight plan, eapis, departure slots at this time.

We got the valve to operate, however we decided to secure the valve open for our flight and plan to change the valve in JFK.

estimated arrival in JFK should be 4:15pm JFK time.

I can arrange for toy store to pick you up at hotel at 12:30pm, is that ok?

thx

Larry
