Glenn. Can we call you tomorrow

Have you asked for an update accounting the all the billing from this year. We wrote a lot of business in Nov and Dec. We had jobs every day ...sometimes a lunch and a screening on the same day. I will ask my assistant to print every invitation and send to you to compare figures....we can put the price on each invite and add up.

We are finished with events by end of next week. Very important we count it all up ourselves.

I am sorry to bother you but I am 20k short on the checks my brother sent.

The 80k is really 100k from him.

See below. Can you adjust the email I am to send him and I will fix it, send to you for final approval and send.

Wanted To remind you that the 80k check into Morgan Stanley was originally 100k from your brother. You and I spoke and you advised me to keep 20k so you have a cushion in your account. Which we currently still have.

and also deducted from morgan stanley was the amount (i can look for the total amount) to pay your personal credit card to zero as per Glenn Davis.

As we discussed yesterday. Your personal credit card bills are around 20k each month. I am trying to keep up with the credit card bill and your other monthly expenses.

Also I am not involved in the business side. I only deal with personal. Paying your bills etc.

I may not be in the office today as I am sick with a cold and I am also almost 8 months pregnant.
