I know!!!! The world is topsy turvey. That has been going on since the beginning of time (and that is not an excuse) has suddenly erupted in our day of massive global information as a new moral code of behavior. The mirrore of the internet is a social phenomena.

You suffered for a few years and now you are the least of this witch hunt. Yes, some of the men are truly evil...Harvey, Kevin...rough sex with young boys...but Al Franken, Roy Price and Dustin Hoffman are ridiculous. I am really upset with Charlie Rose. His actions actually are similar to Harvey's....luring young girls into his Sherry Netherland apartment to Bellport house feels like Harvey and the Peninsula Hotel. But Charlie is a tragedy because he is so cultured and beloved as a journalist.

When are they going to "out" David Geffen, Barry Diller and Calvin Klein???

I need to talk to you....have to talk to me accountant first...about the apartment...and need to call you. This Chinese young woman who I just demoted to "project manager" to finish the construction and brought in Susan Gutfreund...who is very budget conscious and doing the furniture for the Town and Country story.... this Karen has turned arrogant, was nice but beyond slow....gives me bills with not vendor bill back up and then adding her 30% surcharge....she gives me bills just with her stationary and numbers.... and this billing is not honest. Let me get a total to date and what's done and what's left. Walls, bathroom, kitchen almost done. Susan made some minor changes.

Will call as soon as I talk to account.
Need advice how to handle and finish with her.
xoxo Peggy
