Hi Jeffrey,

Thank you for the snap shot. Yours shows 1 remaining negative listing: the NY Post. The one I showed you had 1 negative listing, the Telegraph.

This is a big improvement from the beginning when you had 5 negative listings and your mug shot on the 1st page.

I understand that 1 negative listing ruins your whole image-- but this 1 remaining listing will be removed as soon as my USVI and education sites get onto the 1st page. And Reputation, as mentioned has 3 more websites that are being pushed up the ranks.

I feel confident that your 1st page will be cleared soon. The goal should be to clear the 1st 3 google pages though.

I will set up a conference call with the head tech person at Reputation and the CEO. I will arrange with Lesley.

I will also send you a list of everything that Reputation has created in Month 1.

See you on Friday morning.
