No. That is absolutely not true. I have worked very hard through this whole thing and have been the one propelling Reputation forward not the other way around.

I edited all of their websites and materials because their writing and structure was very low quality. My turn around was always immediate.

With respect to the Nov 21st -26th 'gap'--I sent you an email yesterday. I stated that I paused the campaign on November 13th because we still had not received the blog articles and finance website and I did not want to head into Month 2 when Month 1 work was not done.

I received the blog articles on November 21, a week later, and sent 8 edited articles back on Friday Nov. 23rd, a day and 1/2 later and 5 articles on Monday Nov. 25th and 1 remaining on Nov 26th. I have an email from Reputation stating that the delay of the finance site was due to the tech person's wife going into the hospital. I will forward that to you.

I have worked diligently throughout this project and it is utterly dishonest for them to suggest otherwise.

Hi Jeffrey,

all of your 7 websites are updated. I'm working on the forum now. I'm focusing on promoting the education, USVI, forum and blog to lock them onto the 1st page.
