Dear Mr. Sinofsky:

EFTA00951010

The Lavin Agency is the largest intellectual talent agency in America. Our clients include the country's leading biologists, neuroscientists, senior executives, CEOs, and authors, including:

Sir Salman Rushdie -- novelist and essayist

Arkadi Kuhlmann -- CEO of ING Direct

Jared Diamond -- author of Guns, Germs, and Steel and many other books

E.O. Wilson -- the world's leading biologist

Douglas Merrill -- ex CIO of Google

I know that our corporate, college, and not-for-profit clients will be very interested in hearing your views on Innovation, Corporate Culture, and Design. The fees we can obtain on your behalf are in the mid-five figures and I am sure we can keep you as busy as you would like to be, whether that is two or twenty events.

If you are interested in exploring this I would be more than happy to meet at a time and place of your choosing.

Sincere best wishes,

David Lavin
