Because for the Marketing days we are interns and it's not in their budget to buy us a computer. I stopped using mine since almost 2 months because it's completely broken and super old now. I also need one so that I can work from home. I just asked [REDACTED] what is this story of the computer that she asked you for because I knew nothing about it and to be honest it makes me a bit angry since I was telling her about this last week and she didn't tell me anything
