Can we proceed with fixing existing fiber run, at the same time order direct burial fiber and when time allows trench and install

please advise

Good Day Boss,

As per your request, the final quoted numbers on the Blue Beach Office Fiber Options:

- Option #1: Just Terminating the good strands - \$600 (good if office will not be there in 2-3 years)
- Option #2: Pull new Fiber to office through conduit - \$4,340.00 (if the office is permanent)
- Option #3: Direct Burial Armored Cable - \$5,330.00 (a trench will have to be dug from the Gym to Blue beach office prior to installation)

Respectful Submitted

JRuan
