Rita also wrote that she hasn't any photos of penthouse...

Picture of similar to apt 36 B (2 bedroom, should be higher ceiling) attached.

But (I think) there will be different view from the window because it ll be much higher.

Thank you Jeffrey:)

Hugs

Hi – the 36B apt is not available yet so I can't show it. Here are some professional pictures we had and a floor plan. I'll let you know when I hear something about the apt.

It's 1,319 square feet
