---

Bobby hodge does of want the RO now because it can't make the quality of water he requires  
I believe it's the membranes that are the issue  
I have been trying to make this work but as of last night only the boat and the gensets are on the table  
Will have new offer to you today  
I am chasing other pers for RO

Cement bids tomorrow  
As of yesterday I have asked them to include in there bids the road and the option of porous concrete

I have bee trying to make this work
