Jeffrey, if that would be helpful to you I would want to do it...but now

I got a job starting Monday, it is a tiny little architecture firm and 3 days a week so if Farkas finds something that would still be great and make me extremely happy!!

Also Whitney Museum finally finally finally after all my pestering scheduled an interview and orientation with me for assisting visitors on weekends and nights!!

Would you like me to get down to [REDACTED] and be back Monday? At least maybe I could be a little help.
