i believe chris is still waiting on pricing on PR trees..

seller will not budge on 22-26' trees from FL 450 per tree cost
flat rack from farm in Pineland FL to Miami to STT = 3500 cost and will hold 8 trees = 437.50 per tree
misc - certificates, etc. = 12..50 per tree
total landed cost in stt = 900 per 22-26' tree

most they can load in a day is 3 flat racks
we also have concerns that tropical does not roll over flat rack sailing
should we send chris to meet seller and pick row of trees as we cannot individually select for 450 price?

please advise
thank you
