Jeffrey,

I will list the GII forSale on www.Controller.com, do you think price should be "Make Offer" ?

also, I have idea, what if we offer the GII to Billy Bolhke in St Croix to purchase for \$1M As Is purchase now,,,and maybe if he is interested, bottom price would be \$1M less expense of exchange engines \$270K total for both, bottom line price \$750K? Billy could add this aircraft to his charter certificate very easy, when I spoke to Billy last, he and his father where thinking about an aircraft with longer range, however funds are an issue for them. maybe help them finance with 75% down??

we could also include 50 hours for your personal use at fuel only price for emergency trips...

Just trying to think of some ideas for the GII, Its value is low,.

do you want to speak to Billy and see if he has interest in this type of deal?

thx,.

Larry
