Jeffrey,

Thanks for your time this morning. I'd love to discuss further at your convenience. I can answer every question honestly and fully, but probably as importantly, should be able to provide corroboration for everything, so that there is no he said, he said. You will never have a character issue with me. I can't assure you that this won't bring appearance of character issue, but for people willing to do the diligence and ask the questions and look at the answers they should all get comfortable. Regarding the bad PR, while it will never be completely eliminated I do have some plans to make it more balanced.

Regards  
Ari
