I see. I was really hoping there would be a good reason..

As I still don't have an answer from you, I take it you chose not to 'rearrange' and despite your technical difficulties you managed to bring Dave to NYC in time to have him fly tomorrow. I'm sure you had your reasons and you didn't mean to spoil my birthday weekend. Have a good trip.

It is 6pm, a night before the trip you arranged, suddenly cancelled and offered to rearrange again. Sending that email, letting me block my schedule, and never answering me at all (on my birthday) is so unbelievable, I am starting to think you must have your hands tied and a gag stuck in your mouth...

what is going on? is something wrong?
