Subject: RE: Jeffrey Epstein

[REDACTED]: We have a closing on the villa adjacent to Coconuts in the week after next, but had planned to handle this remotely, as I will be skiing Telluride with my daughter starting on the 15th. Our next scheduled stays on St. John will be April 6 to 24, and October 12 to 26. Additional opportunistic visits during unbooked weeks are possible, and I would very much enjoy a chance to sail over and meet Jeffrey, so do keep me posted on visits. I was down at Harvard today, and they are doing some truly wild things with stretched DNA.

All the best,

Kevin McCarthy
Chief Technology Officer
Dover
Kollmorgen Medical and Lab Automation
