i sourced another florida farm that can supply bougainvillea and ground cover
i am awaiting pictures of both to send you for your approval

<http://www.plantlifefarms.com/aerials/>

projected cost savings are as follows:

PR Bid for 1800 3 gallon plants	16,200
FL Bid for 1800 3 gallon plants	<u>9,075</u>
Subtotal of savings	7,125
estimated additional tropical shipping costs from FL vs PR	<u>1,000</u>
Total savings of bougainvillea only	6,125

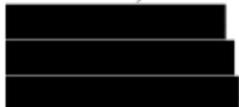

Note total cost of Bougainvillea landed on STT from FL is as follows:

Cost of 1800 Bougainvillea	9,075
Tropical Shipping (20' reefer)	<u>5,000</u>
Total Costs	14,075 or 7.82 per plant

Note cost of Bougainvillea from ABC Nursery Nursery is 12.30 per plant with out 18% discount

I was told by Paul from Plant farms that their ground cover is approximately \$2-2.50 per 1 gallon and it should be able to fit in 20' container as well
