Jeffrey, wow, it is very sweet of you to propose the Ipad Mini. I think it is a great gadget ☺ I would love to have one!!

However, I can't afford it since I have no job and I moved out from Ben's place. All I do is succeeding my studies at law school in Paris. I have no time to sleep.

My iphone is a total disaster, so broken, no camera, no sound, lol. so if you could get in USA the IPHONE old or new which works well, I would be grateful and could buy it max. 200\$..they are cheaper in USA than in France.

- By the way, I am invited for the interview with the Selection Committee for the Cornell Law School (Juris Doctor). There will be **the Dean of Cornell Law** and the representatives for the JD program from Cornell and Sorbonne. If I am selected, I will get a 120.000\$ scholarship (tuition free of charge) and can accomplish the HUGE ambition of mine...the one we put so much efforts in together with you, dear Professor Epstein ;)

Maybe you know some law students from USA/ or lawyers (Alan?) who could give me hints on how to convince the Selection Committee that I am the one to be chosen for the Cornell (we are 20 students preselected and they choose only 1 or max 2...)

The interview takes place 18 March in Paris. We may have a conference call with you, Jeffrey, if you have time talking Law and how to sell [REDACTED] to the Law School Admission Committee.. :* I am very very close to be admitted I believe I have all the chances...here it is not LSAT which counts, but the personal drive and intellect.

Your girls:

I have three cute and smart friends whom I can bring to your house on 25 March 8-9 pm or 27 March same time... other days I am busy with exams etc. These girls are friends from law school and one of them Dalila, hot and intelligent French-Marocain, works for the bank and is interested in investments, finances etc

..... **Sometimes I think that I am your Paris based Ghislaine Maxwell, haha, we were born same day with her, according to WIKI**

BUT: if you intent to play with these girls, please be cautious and don't involve me in it, I want to keep a good impression of myself in front of these friends and not be called 'a pimp'.. You see what I mean.

Have a good day/evening sweety

If you [REDACTED] happen to go to book store, may you get this book for me ? [55 successful essays for HLS Education Book Summary: 55 Successful Harvard Law School Application Essays: What Worked for Them...](#)

I pay you back in euros when I see you. I like getting "intelligent" stuff from you than just ordering it online since you are smart... thanks in advance if you wanna do that
