FYI
We have also approached plan B and should have proposal for both 20kw and revised 100kw units by the end of the week.

Good Afternoon

As discussed

Attached: Two proposals for a Temporary 20kw Generator for GSJ

Southwest Products, AZ
Cost:\$13742.54
Shipping: \$955.00 to Tropical Fl
In stock, can ship Friday, one week to Tropical Fl

Island Expeditors, St John USVI
Cost: \$19713.10, shipping included
Lead time: 4 to 6 Weeks

At this time Mike is load sharing demand, and at times that is not enough to maintain electrical service
In the likely event of a major system failure the 20kw will be able to supply power for basic Amenities on GSJ, until the reorder of 125kw Genset arrive (12 to 14 Weeks)
Mike would install.

Can we proceed with ordering from Southwest Products?

regards Brice
