Jeffrey,

I am forwarding the email that I sent yesterday to Nadia from Benny.

Today I had a call from Benny. He told money me that money does not matter between us. He gave you list price less 25%, but will accept any payment you are willing to pay. I have to give him the amount and he will revise his invoice. I have attached retail pricing from website Blue Nile that has similar pricing to original invoice which would not reflect his 25% discount.

Please advise

Thank you  
Bella

Nadia,

Please clarify the following issues:

1. Who did you use for appraisal and what does it mean for insurance purposes?
2. Is it a dealer price, wholesale or retail price?
3. Is it a grid price or discounted from grid. We were told that Jeffrey normally gets 30% off grid. Is that not accurate?

Thank you,  
Bella

Thank you for the email Bella...

As Benny would never take advantage of his friendship with Jeffrey, the appraised value comes in at 78k as of today.

Waiting to hear back.

Thanks!

Nadia
