I thought about what you said me about Gino as he talks to me a lot.

I think what makes it uncomfortable is that he wants to influence people and he is saying different things about people, directly to them and without them.... he loves power

But I still hope that overall he has good intentions and wants to help people. on his own way

I can feel what you are talking about.

I don't have to come to his event on 12th, it's up to you but I'll be in New York later next week anyways
