Jeffrey,

I have "shared" two private albums with you via google (you should receive an email to accept and view these images). The albums are "Antique/Vintage" and "Contemporary Porcelain/Silver". Simply click on any of the images to enlarge and scroll through. The images are of tea set options available for purchase. You will notice some of the images only include plates, saucers, cups, etc. and no tea set options. This is because in those particular designs any tea set item can be special ordered.

Below are 8 links to Christie's auctions for tea/coffee sets.

Also, I can speak with antique brokers tomorrow if none of these options are to your liking.

Thanks,  
Lena
