it will be fine in the end, it will take another two to three weeks. if he doesn't get in the way, I would have normally taken 25 percent of the extra that i got him , here i think 1 million is super fair . I would then captain the negotiaions and present him with a final -best . deal

Ugh I am sorry and you are right. I will talk to him. I think it is fair for him to pay you.

I am very grateful but I know that thanks from me dint mean as much and I thank you all the time.

Is there an end in sight? The sooner the better.

Not sure how much he will end up getting but it needs to end.

Thank you, from me.
