Hi Jeffrey,

What do you think of Barbri? The info is below.

I was told that until 15 November, they offer an early subscription discount of 800 USD. The total is 2895 usd.

There will be about 1000 usd fees for registration for the Bar and assessment of French Bar diploma. I can take care of this. But 4000 usd for the Bar and to be here in SF for the next up to half a year waiting for Bar exam results and finding a law firm, and not work, will be very hard.

Warm regards, [REDACTED]
