Jeffrey,

See message from AvPro below, they have stopped advertising the Boeing. During my recent conversations with Kevin White (Don Bass's sales rep) he kept asking me if we are going to commit to using AvPro in acquiring a GIV and pressuring me to sign an agreement that Avpro was our exclusive broker regardless if we locate our own GIV,. Kevin indicates many phone calls regarding the Boeing, mostly flaking buyers who never have owned an aircraft, he said he's wasted enough time, and if we didn't commit to GIV purchase thru Avpro we should part ways.

My two thoughts for other brokers would be

Option #1 Wendy Wentworth who specializes in Boeing's

Option #2 Gary Anzalone who started his own company.

I realize Gary is a flake, but he has African and Middle east contacts and could be the type of guy that could produce a buyer, (not diamond trade buyers!)

Do you think we should recruit Gary to help market the Boeing?

This is message I received from Gary Anzalone: his web address:

Dear Larry,

I have tried to call you a few times but unfortunately I have been unable to get through.

It has been a pleasure to get to know you and work with you but after 1.5 years of trying to sell the B727, I'm afraid that we're going to have to cease the marketing efforts on the aircraft. Per our agreement, Avpro will absorb all of our marketing expenses incurred during this period.

I wish you good luck in the sale of the B727 and also in your search for a suitable GIV. Please stay in touch.

Sincerely,

Kevin
