Darren wants me to confirm it is ok to wire \$115,000 to escrow agent for the engine purchase

Please note that in addition to engine purchase there will be approximately \$35,000 - \$45,000 of additional costs to transport new engine, remove old and install new engine and replace isolators and any unknowns.. Our contract with Biz Jet to perform these services is \$27,150 (plus \$1,250 per isolator that may need to be replaced - we have 16 isolators and will not know if they need to be replaced until our existing engine is removed)
