I have been very off lately. I feel over stressed and paranoid. I'm not sure why the paranoia has gotten so bad. I over analyzed things before, but now it's getting out of hand. I don't know if it's because everything in my life is changing and it's unsettling to me and I can't quite wrap my head around it all. Or maybe I should look into meds? Wedding planning is coming along.. feel like I'm finally making progress.
