will review this weekend  
one question that comes to mind  
who do Roy or I call in case something happens to Jeffrey?  
Do we need to set up a protocol in case Jeffrey is in an accident an is incapacitated  
just a thought  
regards to all

darren and i spoke with jee regarding using gps trackers on his and guest atvs at ranch  
not sure if we should also consider on lsj as well  
i have a attached a few units i saw on a quick internet search  
we are open to suggestions  
thank you
