Our Internet is down, so I faxed the revised Sales Order to you. As noted, items are F.O.B. Florida, and shipping from St.Croix to LSJ would be through the General or Brigadier, which I understand owes LSJ time on.

Also noted is that we are flying stateside to hand tag all plants, unloading and handling the blooming plants at our nursery, then reloading and forwarding the freight on to LSJ. Therefore I'm not comfortable in reducing the price any more than the 30% off that we've already noted. I apologize if this doesn't work within your budget, but we obviously can't take a loss on the order.

It was nice talking with you earlier.
Mr. Epstein's comments on the attached list are as follows:

- a) no palms Delete the Butia, Cabada and Areca palms from this Sales Order also, or just don't add Coconuts to the list? The Butia were ordered by Chris to go around the pool area to replace the Bottle palms; the Areca and Cabada palms were to go in the bed near the dock that Jeffrey wanted to infill with new palms.
- b) no schefflera O.K.
- c) no ficus As per our walkthrough, the Ficus were for screening near Roy and Stephanies residence- should we replace with something else?
- d) more gardenia and more smellies I'll add more Tahitian gardenia, as well as some Nightblooming jasmine and forward the revisions
- e) please price 100 coconut sprouting seeds O.K.- will add in

Can you please revise to the best of your knowledge and also revisit your pricing
Thank you and have a nice weekend
