Larry,

The new work order, SC13300, which has the APU upgrade and avionics installs has been created for when the aircraft returns. Attached is the initial 1/3 progress payment for all the approved proposal items in the amount of \$361,252.00. This amount can also be used for the \$15,000 APU deposit and the \$50,000.00 deposit necessary for the DU-885 install. Please make this payment as soon as possible as it is required prior to the managed program office authorizing these items for scheduling and parts.

Once the wire is initiated please provide me with the date of the transaction, dollar amount, and company name for Savannah to confirm receipt of funds. If you have any questions please let us know.
